

HOW IT WORKS

CLUB LEVELS & REWARD POINTS

Vernon Rewards has four (4) club levels that players can qualify for based upon the number of base points that are earned during the 12-month Qualification Period which is October 1st through September 30th each year.

The four levels of Vernon Rewards are:

PLUS - 0 to 2,499 Base Points

PREFERRED - 2,500 to 24,999 Base Points

PREMIER - 25,000 to 124,999 Base Points

ELITE - 125,000+ Base Points

POINTS EARNING

Every time you use your Vernon Rewards card while playing a video gaming machine you earn points. \$1.00 coin in = 1 base point. Base points are defined as points earned while playing on video gaming machines exclusive of any special multiplier or other added points. Points may be redeemed for food, hotel, or gift shop. Points may also be redeemed for free play on certain days as advertised or when offered on a special coupon. If an account is inactive for twelve (12) full months, any available points will expire. Please be sure to keep your account active with us to ensure points remain valid.

HEROES BENEFITS

To recognize the heroes in our lives all US Military (Active Duty and Veterans) and First Responders (Law Enforcement, Fire, and Paramedics) will have additional benefits through a sticker add-on to their existing Vernon Rewards card level. These benefits will enhance or add to the club member's existing card level benefits depending on the benefit offered. In order to receive the sticker add-on and additional benefits, Vernon Rewards members must provide proof of service (discharge paperwork, Military ID or VA card for example) for Military or paystub/current employee ID badge for First Responders. For full rules and details regarding the Heroes Benefits, please see the Players Club.
