

Risi Racing Review...

9/3/2018

Race 1

#8 Caesars Crazy- Qualified superb here two weeks ago and should be a lot faster than he looks on paper.

#3 Bit Coin- Has gotten better in her last two starts and has hit the board in 3 of 7 lifetime starts.

#6 Lady Rapidash- Will be looking for the lead early on and just needs to mind her manners to play a part here.

Race 2

#1 Manro- Likes to be close up to the lead at the $\frac{1}{4}$ and may get his first lifetime win here.

#5 R C Heaven Sent- Made an equipment change last week that helped her and she may be even better tonight.

#4 Grand Finale- Has hit the board in 11 of 27 lifetime starts and has the most racing experience of any here.

Race 3

#7 Roaddog Jess James- Makes the first start out tonight for the new connections and has a big mark here last year.

#3 Dragons Breath- Has lots of back class to his credit and the 12 year old veteran is no stranger to the Vernon winners circle.

#2 Mister Desire- Qualified well here on the 24th of August and has the ability to pace a last quarter under 28.0 flat.

Race 4

#1 Bag O Chips- She has been her own worst nightmare breaking stride but if she stays trotting she is the fastest in here.

#8 Minnie Cheatum- Has a mark here for the year of 157.2 and will be leaving for position from the outside early.

#4 Sweet Chapter- Was heavily bet here last week and has only had 4 lifetime starts.

Race 5

#4 Shake That House- Turned in his best performance last out and did it impressively closing into a very soft first half.

#5 Shim- Has shown versatility in all four lifetime starts and now just needs to improve on his late kick.

#1A Rockin Jimmy Brown- Has good early gate speed and should be able to hold his own even if the fractions are quick early.

Race 6

#7 Melodies Major- Has only lost twice in 6 lifetime starts and has wicked early gate speed.

#6 Reigning Deo- Does his best work from off the pace late and the faster they go up front early the more he will benefit.

#2 Major Blake- Flashed a big last quarter of 26.4 in his win at Tioga but only knows how to race on the lead.

Race 7

#3 American Mercury- Has only had 2 lifetime starts coming into tonight and could be sitting on his best race yet.

#7 American Admiral- Got his first lifetime win while grinding it out on the outside and that tells me he can handle any kind of trip.

#4 Goose Bay Fiftytwo- Flashed some giant last quarters at the Meadowlands back in July but has struggled form wise since.

Race 8

#3 Murrow Boy- Has won 4 of 6 lifetime starts and if he gets an easy lead at the quarter he will make them pay late.

#4 Starship Trooper- Qualified in big fashion here just a week ago and may have a lot to offer coming into today.

#8 Crius N Rock- Flashed a last quarter of 27.3 over the half at Yonkers and should like stretch to the 7/8 mile oval.

Race 9

#8 Hickfromfrenchlick- Has never been worse then 2nd in 4 lifetime starts and always gets off the gate well early on.

#2 Chatelroll- Has improved immensely in his last two starts and has the versatility to beat these.

#1 Cub Fan- Has not been worse then 3rd in all 3 lifetime starts and will be able to get away easily from the inside today.

Race 10

#1 Smitty- Is yet to see the winners circle in 5 lifetime starts but has lots of early gate speed.

#3 Scott The Great- Gets his first stretch to a bigger track here today and already has one lifetime win to his credit.

#2 The American Dream- Has hit the board in 6 of 7 lifetime starts and just has trouble passing horses late.

Race 11

#2 Roll On Highway- Has never finished worse then 3rd in 5 lifetime starts and comes in off his best performance yet.

#5 P Zonka- Likes to come from off the pace late and the short field may keep him close early on.

#4 Dial A Date- Makes his first ever start over the Vernon Downs oval and likes to chase no matter how fast the pace may be.
