

Risi Racing Review...

8/30/2018

Race 1

#5 Kissesfromheaven- Has made a couple nice sweeping moves past the $\frac{3}{4}$ pole and may be fastest of all here.

#2 Stonebridge Frosty- Only has one win in 14 starts on the year but has the best late closing kick in the field.

#3 Beach Retti- Is yet to miss the board in 5 lifetime starts but four of those came against much cheaper company.

Race 2

#6 Jason's Camden- Has won his last 3 starts out with ease and does not look to be stopping anytime soon.

#4 Lucky June Bug- Has only missed the board once the entire year and does his best work from off the pace.

#5 Leap Year Lucky- Has chased the top choice in here once before and was only beaten just over two lengths.

Race 3

#6 Frank Hanover- Only has one win in 7 starts this year but may like the stretch to the bigger track a lot better then most tonight.

#8 First Response- Has had some breaking issues as of late but if he can mind his manners he may be a lot faster than he looks.

#7 Electroya- Has been a good 2nd 3 times this year and is racing for a barn who does very well with young trotters.

Race 4

#4 Design Winner- Has tactical early gate speed and if he is able to set a soft tempo early on he could take them wire to wire.

#5 Southwind Falcon- Was making a nice move at the $\frac{3}{4}$ pole last out before breaking stride and just has stay on gait to be close.

#3 Okay- Qualified well here back on the 17th and may need a bigger track to show us his best ability.

Race 5

#2 Crown Royal Flush- Has giant early gate speed to make the lead and will try to take this field coast to coast.

#4 Getting Serious- Has improved immensely in his last two starts and could be sitting on a giant mile.

#9 Naughty Fenn Way- Has hit the board in 5 of 7 lifetime starts and just needs to overcome the outside post here tonight.

Race 6

#2 Gimpanzee- Has been an untouched winner in all four lifetime starts and should blow these away again here tonight.

#5 Chapter Fashion- Has shown some good late closing kick in recent starts and the bigger track will help him a lot tonight.

#4 JNR Express- Will most likely be coming from off the pace tonight but will have to improve a lot to beat the top two here.

Race 7

#7 Jake G's Champion- Made it look easy in his last start out at Yonkers and could be rounding into better form.

#2 Whimzical Chapter- Qualified well here back on June 8th and if he can return in that fashion he will be a presence here.

#4 Powerscourt- Has shown versatility over the last few starts and does his best work from off cover late.

Race 8

#2 Labadee AS- When he minds his manners he is tough to get by and the stretch to the 7/8 mile oval should help as well.

#7 Full Rights- Races under a barn who does well with young trotters and is yet to show us his true talent.

#5 Mr Smead- Has only four lifetime starts to his credit and looks to be improving as of late.

Race 9

#6 Brady Bunch- Has been a model of consistency hitting the board week in and week out and has experience to his credit.

#7 Kredit Karma- Flashed some big last quarter times at the Meadowlands back in June and will like the bigger track tonight.

#1 Cavill Hanover- Has won 3 of 5 starts lifetime and his tactical early gate speed will keep him close past the ¼ pole.
